Message from the Headteacher

Dear Families,

I am delighted that you have chosen Clapton Girls' Academy for your child's secondary education and welcome you to our outstanding academy.

This handbook gives you some basic information about Clapton Girls' Academy - how things are organised, what your child will study and the arrangements to ensure their progress and wellbeing. On page 4, there is a list of people you can contact. Please get in touch.

Your child will be able to make the most of their opportunities at Clapton Girls' Academy if both the academy and family work together as partners. Included within your welcome pack is a copy of our Home/School Agreement, which reminds us of the key aspects of this partnership.

I look forward to meeting you many times during your child's time here. I am confident that, with encouragement and support from both the academy and yourselves, they will enjoy a very happy and successful time at Clapton Girls' Academy.

Yours sincerely,

Year 13

Enjoy and Achieve: Learning at home

HOMework

Homework reinforces the learning done at the Academy, helping students to develop independent learning skills and to manage their own time.

Your child will receive between one and two hours of homework every day. Please monitor that this is being done and encourage your child to complete their work.

Students can choose to stay after school to complete their homework in our supervised Learning Resource Centre (LRC) every day of the school year. Parents and students can check homework set using satchel:one. Logins will be provided.

SATCHEL:ONE

The Academy uses an online homework tool called satchel:one. This helps students to manage workload and produce high quality home learning. Parents can easily monitor and support completion of homework through satchel:one.

We hope that this service will provide parents with an insight into how much, and what type of homework, your child receives. More importantly, we hope that it will improve your child's organisation, time management, and help them to keep on top of their workload.

You will receive log-in details for satchel:one once your child starts in September.

Additional learning support

SUPPORT

If your child needs it, they will receive support from an extra teacher or Learning Assistant in some lessons. This could be extra help with learning English, with reading, or with mathematical skills. Occasionally, they may be withdrawn from some lessons for a fixed period, e.g. for literacy interventions or other concentrated sessions with a specialist teacher.

We also have a personalised programme to provide for individual students' emotional and academic needs, including a team of learning mentors.

MUSIC AND INSTRUMENTAL TUITION

We provide tuition for students in a range of instruments, including piano, guitar, recorder, violin, steel pans, percussion, brass and voice. There is a cost for these one-to-one lessons. There is also a wide range of musical extra-curricular clubs, including choirs, a brass band, and a steel pans group.

More information about music lessons will be shared once students join the academy.

Parents' evenings and progress reports

This informs you of your child's level of achievement in every subject. The profile also gives you an overview of your child's progress in terms of learning, behaviour, effort and homework.

PARENT INFORMATION MEETING

At the start of the Autumn term, you will be invited to attend a Parent Information Meeting. This is an opportunity to meet your child's tutor and find out more about the academic year ahead.

PARENTS' EVENING

During the school year you will be invited to a Parents' Evening.

This is an opportunity to meet subject teachers and your child's tutor. You will receive an academic profile showing levels of attainment in each subject and general progress.

Throughout the year, we keep you informed about any particular successes or difficulties by letter or by invitation to come and talk to us.

If you have concerns you can ask for an appointment to talk to your child's Head of Year at any time.

Students are also given special prizes and awards as recognition of their excellent work, attitude, behaviour, attendance or contribution to academy life.

BEHAVIOUR THERMOMETER

3 GOLDEN RULES

Promoting equality

Clapton Girls' Academy is an inclusive academy where we focus on the progress and wellbeing of every student and where all members of our community are valued equally. We work together to ensure that students are healthy, stay safe, enjoy and achieve, make positive contributions and achieve economic well being.

Clapton Girls' Academy is committed to working together to celebrate and promote inclusion because we recognise that inclusive education contributes to greater equality of opportunity for all members of society.

Our current focus for promoting equality is listening and responding to every member of our community to ensure all know and feel they are welcomed and valued at CGA. Each year we will focus on celebrating and embracing our differences through assemblies, Collective Time and PSHCE.

We believe that the **Public Sector Equality Duty (PSED)** provides a framework to support our commitment to valuing diversity as well as addressing the statutory duty to:

- eliminate unlawful discrimination, harassment and victimisation
- advance equality of opportunity between different groups
- foster good relations between different groups

PSED also ensures that we continue to tackle issues of disadvantage and underachievement of different groups, since breaking down barriers to learning, and increasing life choices for all students is a key part of our vision.

Anti-bullying statement 2024

Bullying is behaviour by an individual or group that intentionally hurts another individual or group, either physically or emotionally. It is behaviour that attempts to hurt, frighten, humiliate or threaten someone, particularly if the behaviour is repeated or persistent.

WE RECOGNISE THAT BULLYING CAN TAKE MANY FORMS:

PHYSICAL:

Hitting, pinching, biting, pushing, shoving, taking or damaging belongings, stealing money.

VERBAL:

Name-calling, insulting or racist or sexist or homophobic remarks, mocking, teasing, intimidating, threatening or demanding money, making things up to get someone into trouble, spreading rumours to promote hatred and isolation, writing or drawing offensive graffiti, taking friends away from someone or excluding someone from the group.

INDIRECT: INCLUDING VIA MISUSE OF TECHNOLOGY (CYBER BULLYING)

Sending abusive text messages or emails to someone or a group, posting abusive messages on social network sites, spreading rumours or making threats on social network sites, posting pictures or information about someone on the internet to promote hatred and isolation and to humiliate and hurt.

We will not tolerate any kind of bullying and recognise that bullying can involve and affect all members of the academy community, including students, parents, teachers and support staff. Incidents of bullying behaviour will be taken seriously and academy sanctions applied.

Attendance and punctuality

Students' learning and progress depends on them attending school every day and being on time for school and lessons.

PLEASE MAKE SURE YOUR CHILD ATTENDS SCHOOL EVERY DAY BY:

- Arranging medical and dental appointments outside school hours.
- Taking all holidays during the academy holiday times (see page 5).
- Only taking time off for serious illness and medical reasons.

THE ACADEMY CANNOT AUTHORISE ABSENCE FOR THE FOLLOWING REASONS:

- Family holidays during term time.
- Family errands or duties such as child care, meeting relatives, translation or shopping trips.
- Visits which have not been agreed in advance with the academy.

If absences are not explained or the reason for them is not one we can accept, then they will be recorded as unauthorised absences and reported to Hackney Education, and the Government as truancy. Absence from school for family holidays during term time could lead to your child losing their place at the academy and a fine being given to your family.

PLEASE MAKE SURE YOUR CHILD IS ON TIME TO SCHOOL BY:

- Organising things at home so that they leave early enough to get to school between 8.15am and 8.40am. Breakfast club is open from 8.15am.
- Checking that their uniform, school bag and equipment are ready the night before a school day to avoid rushing in the morning.
- Planning their journey to the academy with them and timing it to make sure they leave home early enough to be on time.

Attendance and punctuality

If your child is absent or late, you must:

Contact the academy **every morning** your child is not attending or is going to be late leaving a message for the Attendance Team with your child's name, tutor group, and a detailed reason for your child's absence or lateness.

You can contact us on **020 8985 6641, then option 1 or Student Absence/Lateness**

Or by emailing absence@clapton.hackney.sch.uk

Or via the MyEd parent app. The app can be downloaded from the Android Play Store or the iPhone App Store.

If your child is late or absent, the academy will:

- Text, telephone, or write to you reminding you to give us a reason for their absence.
- Arrange an academy late detention if relevant.

If we have serious concerns about attendance or punctuality, we will support you by:

- Inviting you to attend an attendance concerns meeting at the school.
- Asking a member of staff to visit you at home.
- As a last resort, the academy may issue a Fixed Penalty Notice and begin court proceedings if, following the above support, there is no improvement in attendance or punctuality.

Medical appointments and illness

Hospital and Clinical Appointments:

If these have to be made in school time, students are asked to bring appointment cards to show to their Head of Year in advance. We expect all non-urgent medical and dental appointments to be made outside of school hours.

We have school nurse drop-in sessions available.

Students can keep medication at school in line with our policy. Please make contact with the academy if your child needs to take medication in school by using the contact details on page 4.

Illness During the Academy Day:

We will call you to ask you to collect your child if they become seriously ill during the day.

Emergencies:

It is most important that you provide us with at least one telephone number for use in emergencies or accidents.

If you need to update your address or contact details, please call us on:

020 8985 6641 extension 252

or email:

sreception@clapton.hackney.sch.uk

**or send us a message via the
MyEd parent app**

**You must make sure that we have an up-to-date
emergency contact number for your child.**

Emotion Wheel

FAQ's from parents

Yes. CGA provides many opportunities for students to attend school trips. We go on trips as a year group, for example to the theatre, or your child might be invited to go on trips in smaller groups due to their interests, for example, debating, rowing or basketball matches. We also go on trips related to our subject areas, for example, English workshops. We also have Focus Days and PSHCE days where we are off timetable to participate in different activities both in and outside of school.

Will my child have the opportunity to attend any school trips?

How will my child be assessed on their learning whilst in Year 7?

At the start of Year 7, students sit baseline tests in some subjects so that the school can get a clear picture of where each student is with their learning. Throughout the year teachers will assess students and provide feedback to inform them how to improve and make progress. Once a term parents receive a report detailing the progress students are making in each subject.

Parentpay is a website parents can use to make payments for music lessons, school trips and lunch. At the start of the year all parents will receive their Parentpay log in details.

What is Parentpay and what can I use it for?

Uniform is ordered online through Price & Buckland at www.pbuniform-online.co.uk/claptongirls

What should I do if my child is feeling anxious about starting at Clapton?

Starting secondary can be a very scary experience. It is normal for anyone to have mixed emotions. If you find that your child is feeling nervous, let their Head of Year, Engagement Support Assistant or Form Tutor know. They will see to it that your child receives some support for that day and for as long as they may need it. Transition is a very important focus at CGA. We have learning mentors and different pastoral interventions available to support all students.
