

Monday 18 March 2024

Dear Neighbour,

Installing sections of bus lane on A107 Lower Clapton Road between Lea Bridge Roundabout and Powerscroft Road from 24-28 March 2024

I am writing to let you know that we will be carrying out road works in your area.

The work, which will be carried out on A107 Lower Clapton Road, will include installing a bus lane on Lower Clapton Road between Lea Bridge Roundabout and the junction of Powerscroft Road and resurfacing of the road.

This work will be carried out from **24 March to 28 March 2024**. The resurfacing works will take place **from 21:30 to 05:00 each evening**, to reduce the impact on traffic.

How our works may affect you

While the work is ongoing, the following temporary traffic restrictions will be in place:

Dates and times	Traffic impacts
Sun 24 and Mon 25 March - 21:30 - 05:00	A107 Lower Clapton Road from Atherden Road to Lea Bridge Roundabout, Northbound directional closure
Mon 25 and Tues 26 March – 21:30 – 05:00	A107 Lower Clapton Road from Lea Bridge Roundabout to Atherden Road, Southbound directional closure
Tues 26 and Wed 27 March - 21:30 - 05:00	A107 Lower Clapton Road from Atherden Road to Powerscroft Road, Southbound directional closure
Wed 27 and Thurs 28 March – 21:30-05:00	A107 Lower Clapton Road from Powerscroft Road to Atherden Road, Northbound directional closure

Road closures will be in place during some of the works. However, diversion routes will be clearly signposted to enable road users to continue their journeys. We have agreed the working hours with Hackney, and we will make every effort to finish the works on time. Although, poor weather conditions may mean we need to reschedule at short notice.

Walking routes, cycling and Bus journeys

Please be aware that local bus services may be affected by the work. Bus stops may have to temporarily close during the work. If we're unable to place a temporary stop, passengers may need to use alternative bus stops to continue their journeys. Customer information will be posted at bus stops directing passengers to the next available stop.

Please allow extra time for your journey. Visit tfl.gov.uk/bus/status or tfl.gov.uk/plan-a-journey to plan your bus journey.

Pavements and pedestrian crossings will remain open wherever possible. Signage will be in place to direct cyclists to alternative routes.

Find out more

We apologise in advance for any inconvenience and thank you for your patience while we complete these improvements.

Should you have any questions or concerns about the works, please contact us using the details at the top of this letter or by telephone on 0343 222 1234.

Yours faithfully

Julie Lewington
